UPDATE #22 COVID-19

March 30, 2020 (5:00 PM)

The Village Emergency Operations Team is working hard to ensure the health and well-being of the community. As we continue to monitor the latest information on COVID-19 (Coronavirus), updated information will be shared with the community.

Emergency Order Update #7

Today, the Village Manager issued **Update #7** to the emergency restrictions issued on March 16, 2020, requiring **all persons arriving in Bal Harbour Village** by any means from CDC identified and international locations, to **isolate or quarantine for 14-days**. A copy of the Emergency Order Update is included in this update.

Recent State Emergency Order

Today, Governor Ron DeSantis announced that he will be issuing an Executive Order, "**Safer At Home**," for Miami-Dade, Broward, Palm Beach and Monroe Counties, urging residents to stay at home until the middle of May. This order is consistent with Bal Harbour Village Update # 6, issued on March 23, 2020.

South Florida Joint-Construction Industry Commitment

The South Florida construction industry has issued a joint pledge to institute practices aimed at reducing the spread of the Novel Coronavirus on South Florida's Construction Sites, including guidelines for workers regarding personal responsibilities, social distancing, handwashing, hoists and elevators, lunch trucks and communications. A copy of the pledge is included in this update.

Frequently Asked Questions (FAQs)

We have also compiled a list of frequently asked questions from residents of Bal Harbour Village, for your convenience, regarding the Coronavirus. A copy of the "FAQs" is included in this update.

Meals for Seniors

If you are a citizen over the age of 60 and have any problems getting meals, please call the County's Call Center by dialing 3-1-1, and they will assist you in registering for meal delivery service.

Scam Alert

- Attorney General Ashley Moody issued a Consumer Alert today about new scams related to the COVID-19 pandemic. The scams include text messages with links to claim funding from the federal stimulus package and imposters posing as health workers offering free COVID-19 tests. The bottom line is Floridians need to be on the lookout for scams and never give out personal or financial information to solicitors. Visit the Attorney General's page for Consumer Alerts <http://myfloridalegal.com/ConsumerAlert>

Status of Village Services

Following is the status of Village services:

- The Bal Harbour Building Department is only open for plan drop off and/or permit pick up. Building inspection services are suspended; however, **the Building Department is accepting Inspections by Affidavit**. For information on the Inspection by Affidavit process <https://bit.ly/2xqTn42>
- Bal Harbour Shuttle service is discontinued until further notice;
- Bal Harbour Park, Recreation Center and basketball courts are closed until further notice;
- All recreation programming is cancelled until further notice, including the Warriors Basketball Program, Family Excursions, Movie in the Park events and the Bal Harbour 5K Run/Walk;
- The Bal Harbour Jetty is closed for fishing until further notice.

UPDATE #7 - BAL HARBOUR EMERGENCY MEASURES

Isolation of Individuals Traveling to Bal Harbour

(Effective March 31, 2020 at 5:00 p.m.)

WHEREAS, on March 13, 2020, I, as Village Manager of Bal Harbour Village, promulgated an Emergency Order which, among other requirements, temporarily closed Village facilities and certain businesses located in the Village, and imposed emergency measures effective immediately; and

WHEREAS, on March 23, 2020, after previously declaring a public health emergency and state of emergency, Governor Ron DeSantis issued Executive Order Number 20-80, which directed all individuals flying into the State of Florida from an area with substantial community spread, including the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the state or the duration of the person's presence in the state, whichever is shorter; and

WHEREAS, on March 24, 2020, Governor Ron DeSantis issued Executive Order Number 20-82, which further amends Executive Order 20-80, and applies the required isolation or quarantine period retroactively to individuals who have entered the State of Florida after being in an area with substantial community spread within the previous 14 days; and

WHEREAS, on March 24, 2020, Governor Ron DeSantis issued Executive Order Number 20-83, which directed the State Surgeon General and State Health Officer to issue a public health advisory to all persons 65 years of age urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.; and

WHEREAS, on March 25, 2020 the State of Florida Department of Health issued a Public Health Advisory recommending all individuals over the age of 65 and all individuals of any age with high-risk conditions remain in their residence and take all measures to limit the risk of exposure to COVID-19; and

WHEREAS, on March 29, 2020, the Centers for Disease Control and Prevention (CDC) released guidance urging residents of the New York Tri-State Area to refrain from non-essential domestic travel for 14 days effective immediately, excluding employees of critical infrastructure industries, including but not limited to trucking,

public health professionals, financial services, and food supply (see <https://www.cdc.gov/coronavirus/2019-ncov/travelers/travel-in-the-us.html>); and

WHEREAS, Bal Harbour Village is a known preferred location for second residences for persons from outside the State of Florida, both within and outside of the United States; and

WHEREAS, Florida is experiencing an increase in individuals fleeing to Florida from states where "shelter-in-place" orders are being implemented, especially from the New York Tri-State Area, from other states with substantial community spread (more than 2,000 reported cases per the CDC on March 30, 2020), and from outside the United States; and

WHEREAS, Bal Harbour Village is already experiencing an increase in such arrivals not only from the New York Tri-State Area but also from other states with substantial community spread and outside the United States.

NOW, THEREFORE, as Village Manager of Bal Harbour Village, Florida, and pursuant to the authority vested in me Chapter 252.38(3)(a), Florida Statutes, and Bal Harbour Village Code Chapter 2, Article VIII "Emergency Management" (the "Village Code"), as well as that certain Bal Harbour Village Declaration of State of Emergency, dated March 13, 2020, and in addition to the Emergency Measures I have previously ordered and promulgated, I hereby ORDER and PROMULGATE the following additional emergency measures, effective March 31, 2020 at 5:00 p.m. (the "Order"):

1. All persons arriving in Bal Harbour Village by any means or mode of transportation from anywhere outside of the United States or from the following areas of documented substantial community spread, as determined by the CDC data at www.cdc.gov, shall isolate or quarantine, as applicable, for their period of occupancy in Bal Harbour Village or for 14 days from the date occupancy in Bal Harbour Village is established, whichever is shorter:

- California
- Colorado
- Connecticut
- Georgia
- Illinois
- Louisiana
- Massachusetts
- Michigan
- New Jersey
- New York
- Pennsylvania
- Texas
- Washington State

- a. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response.

- b. This Order shall not apply to persons who leave such isolation or quarantine for the sole purpose of seeking medical treatment.
 - c. This Order shall take effect immediately and apply retroactively to all persons who meet the definition of Section 1 above.
 - d. All persons isolating or quarantining under this Order shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.
2. For purposes of this Order, and pursuant to CDC guidelines, "Isolate" shall mean to separate sick people with a contagious disease from people who are not sick; and "Quarantine" shall mean the separation and restriction of the movement of people who were exposed to a contagious disease to see if they become sick.
 3. All persons covered under Section 1 of this Order shall immediately inform the Bal Harbour Police Department (or the Condominium Association Manager if they are arriving at a condominium on the east side of Collins Avenue) upon their arrival.
 4. Condominium Association Managers for condominiums located on the east side of Collins Avenue shall collect this information and provide it to the Bal Harbour Police Department upon receipt.
 5. A warning must be given in response to a first offense. After warning, failure to follow this Order is a second-degree misdemeanor pursuant to Section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.
 6. This Order may be further amended to include or exclude additional states where community spread is documented as increasing or decreasing by the CDC.
 7. This Order is in addition to, and supplements, the Village's Emergency Orders. All requirements of Village Emergency Orders, Miami-Dade County Emergency Orders, and State of Florida Executive Orders shall be strictly adhered to at all times.
 8. The provisions of this Order are declared to be severable and, if any section, sentence, clause or phrase of this Order for any reason is held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining

sections, sentences, clauses and phrases of this Order and they shall remain in effect, it being the intent that this Order shall stand notwithstanding the invalidity of any part.

9. I further find that the provisions of the Order are not only rationally related to, but are also narrowly tailored to the state of emergency. The Order is the least restrictive means of achieving the compelling governmental interest of mitigating and slowing the further spread of the COVID-19 virus in the Village and its concomitant impacts on the region's health care system serving the Village.

THE EMERGENCY MEASURES THAT HAVE BEEN ORDERED AND PROMULGATED ABOVE SHALL BE EFFECTIVE MARCH 31, 2020 at 5:00 p.m., UNTIL APRIL 22, 2020 AT 11:59 P.M. UNLESS EXTENDED BY THE VILLAGE MANAGER.

Joint-Construction Industry Commitment: Pledge to Reduce the Spread of Novel Coronavirus on South Florida's Construction Sites

Whereas, the Construction Industry has been acknowledged to be an essential business to the State of Florida, supporting infrastructure, government, medical and residential needs; and

Whereas, the Construction Industry is a unique industry in that workspaces are closed to the public, often with easily accessible fresh air and or outdoor jobsites; and

Whereas, the Construction Industry cares for the health and safety of their workers and for the families and loved ones they go home to; and

Whereas, the Construction Industry is heavily regulated by Federal, State and Local Governments as to what can and cannot take place on a job site, we the undersigned hereby commit, to instituting the following practices at a minimum, in an effort to eliminate the spread of the Coronavirus:

Personal Responsibilities

- Workers with CDC designated symptoms such as fever, cough, shortness of breath, etc. are to stay home and not report to work. Workers exhibiting these symptoms are to be sent home immediately

Social Distancing

- All workers are to maintain 6' of separation
- No gatherings of more than 10 people when required to meet even when conducted outside.
- For stand-down meetings, disseminate information electronically and have each trade conduct the training on their own in groups not to exceed 10
- Common water coolers are to be discouraged
- Prop doors open when safe to do so
- Do not stack trades in the same space

Handwashing

- Wash stations with soap are to be installed/maintained at building entrances and food truck areas as well other strategic areas near offices, trailers, and jobsite egress areas with hot water when possible
- Encourage and direct employees to wash hands at breaks and as frequently as possible.
- Gloves are required for all trash removal

Hoists and Elevators

- Take steps to limit employees on buck-hoists and on elevators to maintain maximum distance
- Hoist/Elevator operators are to be provided and wear gloves
- Hoists/Elevators are to be sanitized daily

Lunch Trucks

- Encourage employees to bring their own lunch and consider eliminating truck where possible
- Ensure all lunch trucks are utilizing servers for bulk food trays; no self-serve from food trays
- Food items are to be individually wrapped when possible
- Physical distancing protocol shall be in use during lunch and breaks

Communication

- Signage barring employees with COVID-19 symptoms , CDC recommendations, and posters that encourage staying home when sick, cough and sneeze etiquette, and hand hygiene are to be placed at the entrance to of the workplace and in other prominent areas.

What is considered take-out? Walking into a restaurant, cafeteria or counter/window to retrieve food. Some restaurants may offer drive-through or curbside walkout services.

BAL HARBOUR

- V I L L A G E -

Can a customer walk-in and order to-go?

If the restaurant offers this option, you may be able to walk-in and order items to go. However, in order to avoid extended wait times and exposure to other people, we highly recommend ordering ahead of time, prior to pick-up (or ordering delivery if that's an option). Many restaurants have online ordering apps or website options to place an order; this is a good time to use those options.

Is Bal Harbour Shops open? As of March 19, 2020 Bal Harbour Shops is closed until further notice.

COVID 19 TESTING

What to do if I feel that I was exposed to COVID-19?

The Florida Department of Health recommends that you call your primary doctor or the county health department to describe your symptoms. They will decide whether you need to be tested. If you wish to speak to someone, the Florida Department of Health has established a Call Center available 24 hours a day, 7 days a week at 1.866.779.6121. If at any point, you feel that you need emergency personnel, please dial 911 and inform the call taker that you may have been exposed to COVID-19.

FREQUENTLY ASKED QUESTION PER THE CDC

Can someone spread the virus without being sick?

People are thought to be the most contagious when they are most symptomatic (the sickest). Some spread might be possible before people show symptoms; there have been reports of this occurring with this new coronavirus, but this is not thought to be the main way the virus spreads.

Meals for Seniors

If you are a citizen over the age of 60 and have any problems getting meals, please call the County's Call Center by dialing 3-1-1, and they will assist you in registering.
